WHAT'S BEEN HAPPENING

We hope that everyone has had a wonderful summer break! We are so excited to jump back in to dance with this new season!

- Summer classes were so much fun and we made so many new friends.
- We had a variety of day camps where kids were able to create and dance.
- Team auditions occurred during summer classes and we cannot wait to get started on new dances.

PICTURES & VIDEO

- The digital recording of the recital is available to download
- Recital pictures and picture day pictures are available still to purchase
- Don't forget to download your included group pictures from picture day!
- Check Band for information on how to access these!

NEWS

We have moved to a new payment processing system so all families will need to create an account. The good news? There is a parent portal! You will be able to see invoices here and make purchases through the portal, including recital tickets and camps! Make sure to create an account ASAP to avoid any late fees!

What better way to start the season then with a masterclass? Morgan Mulholland will be here August 7-8! This is an amazing opportunity and a great way to get back in to the swing of things! You do not have to be currently enrolled to join in the fun. Sign up on our website. We hope to see you there!

Has your dancer been wanting to try a new class but you don't want to commit to a full semester? Does your dancer who has a friend who would like to give dance a try? Then August 17-20 is perfect for you! During our All Access Week dancers and their friends can try any classes for their age group! Message us on Band to see how!
