NEWS

This month we will begin learning our dances for the Fall Recital, Winter Wonderland! Each class will have their own dance and we will work every week to add on more choreography. Videos will be posted regularly to the Class Bands so that students can practice at home.

Fall Break will be the last week of September! There will be NO classes that week and the studio will be closed. This is a great time to practice your recital dances with videos that will be posted on Band!

Picture Day weekend is fast approaching! This is for the ENTIRE studio. You will have a specific day that you will need to be there based on your class. This is how we check to make sure costumes work for everyone, make any adjustments to makeup, and get pictures that will be used in the program for the show. If you are a Lead there will be a special picture day weekend on September 12.
